Maximum airflow

Control your privacy

Suitable for wide areas

SHADE YOUR WINDOW, AT ANY ANGLE.

Enjoying natural airflow can be hard when the Australian sun starts to rise. Take control of the light and heat that enters your home, while allowing air to circulate with pivot arm awnings.

With the arms directly fixed to the exterior wall and moving from one pivot point, tilt the blind at the perfect angle to keep your house shaded and cool.

- ✓ Optimise your shade control for protection.
- ✓ Auto locking - sits at any height.
- ✓ Durable, heavy duty & made to last.
- ✓ Embrace fresh air, at any time of the year.
- ✓ Suitable for balconies and high windows.

At Stan Bond, we provide you with simple, hassle-free terms that are easy to understand. You can relax knowing you are covered with a two-year warranty on installation and a five-year warranty on your product components.

SAVE ON POWER BILLS. STOP THE SUN FROM THE OUTSIDE.
